

## **Working student (Strategy Team)**

Dii is an industrial initiative which was founded in October 2009. Our aim is to realize the Desertec vision by creating a sustainable energy partnership for Europe, North Africa and the Middle East on the basis of renewable energy generation in desert regions. The initiative is backed by a unique company network of more than 50 international renowned companies and institutions. Dii is preparing several renewable energy projects in the MENA region.

We are currently looking for a working student to support our strategy team (min. 4 months/ca. 12 hours per week). Start date is March 2012.

Research will be done in the fields of energy markets (Europe, Middle East and North Africa) and renewable energy finance. The candidate will conduct guided desk research which will be used as input for ongoing quantitative and qualitative analyses.

### **Requirements**

- Background in business, economics, public policy or technology related education
- Sense for analytical problem solving and strong Excel and PowerPoint skills
- Experience in market/ technology research
- Very good command of English (French desirable)
- Motivated self-starter, capable of working both independently and as part of a team
- Student

If you have a hands-on mentality and want to contribute to an exciting project we look forward to receiving your application. Please send your application, in German or English, to:
